

JAGUAR GEAR - ACCESSORIES

NEW ALL-ELECTRIC JAGUAR I-PACE

THE ART OF PERFORMANCE

NEW ALL-ELECTRIC JAGUAR I-PACE

EXPERIENCE JAGUAR GEAR

Your New Jaguar I-PACE was designed to handle every twist and turn flawlessly and elegantly. With this in mind, our exclusively designed range of Jaguar accessories will live up to your high standards and maintain the aesthetics of your Jaguar. We offer a wide range of stylish and practical interior and exterior accessories to suit every lifestyle, whether you're looking for design features, carrying components, wheels, or wheel accessories.

METICULOUSLY DESIGNED AND ENGINEERED

Jaguar accessories are engineered by the same team who designed the car itself. They are the experts who understand every intimate detail of your Jaguar. Their expertise allows them to create accessories that complement its overall design, while optimising performance.

TESTED TO THE HIGHEST STANDARDS

All Jaguar accessories are rigorously tested and inspected to ensure absolute quality and lasting driving pleasure. They meet the exacting standards you expect from Jaguar while working in total harmony with your car. Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, year round. Corrosion resistance testing ensures accessories can withstand demanding climates such as coastal conditions, while a series of tests ensures seamless integration with your Jaguar's existing safety features.

Accessories are also put through their paces via bespoke testing specific to their design, function and the materials from which they're made. Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'
- Heat Ageing Test for 500 hours
- Extreme Heat Test ranging from - 40°C to 80°C
- Heat Shock Testing during which parts are cooled to - 40°C for 16 hours, then heated to 70°C for 5 minutes
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95-100% humidity
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate a lifetime of real world driving.

QUALITY ASSURED

For additional peace of mind, all Jaguar accessories come with a minimum 12 month warranty or can be covered under your vehicle's existing warranty if they are purchased within the first month of ownership or 1,000 miles (whichever comes first).

JAGUAR CARE¹

I-PACE is offered with a three year or 100,000km warranty and an optional Service Plan. We call this programme Jaguar Care. It makes I-PACE's overall cost of ownership one of the lowest in its class. To find out more about I-PACE's Jaguar Care programme, please go to jaguar.com/jaguarcare

BATTERY WARRANTY

For your added peace of mind, I-PACE's 90kWh battery comes with an 8 year or 160,000km (100,000 miles) warranty².

¹Selected European markets only.

²I-PACE's 90kWh battery warranty is limited to 8 years or 160,000km (100,000 miles)

(whichever comes first). It is redeemable in the case of any manufacturing defect or should a certified Jaguar Retailer measure that the battery has dropped below a 70 percent State of Health.

MAKE IT MORE YOU

Behind the wheel of New All-Electric Jaguar I-PACE, the world feels full of possibilities. Thrilling to look at and drive, easy to live with and connected like never before, it's a vehicle that truly has everything – except your personal touch.

Introducing Jaguar Gear: our unique range of accessories designed to help you enhance I-PACE, in any way you like. From functional features that support its SUV levels of practicality, to stylish extras for an exquisite, finishing touch, each item helps you tailor I-PACE exactly to your tastes and lifestyle.

Engineered, tested and rigorously inspected by the same experts behind the car itself, Jaguar Gear works seamlessly both with I-PACE and with you, and makes this striking car even more dynamic.

EXTERIOR STYLING AND PROTECTION

Illuminated Jaguar Front Grille Badge

The front grille badge upgrade enhances the Jaguar logo and creates a stunning exterior styling. This replacement front grille badge illuminates when the vehicle is unlocked. The badge also illuminates when the vehicle's doors are open and the interior lights are on. The illumination goes out when the vehicle's engine is started.

Bumper Protector

Convenient pull out protector, manufactured from a robust fabric material, provides protection for the rear bumper from scratches and scuffs, helping to prevent clothing from collecting dirt from the bumper during loading/unloading.

All-Weather Car Cover

All-weather tailored cover for the I-PACE with the Jaguar logo. Protect your I-PACE from the elements including showers, frost and dust. Quick and easy to fit. Helps to keep the vehicle interior cool in hot weather. Includes access panel to charging point.

Splash Guards - Front

Jaguar branded front splash guards complement the lines of your vehicle, reduce spray and provide protection from dirt and stone chippings.

Grille Surround - Carbon Fibre

Stunning high grade Carbon Fibre front grille surround, featuring a 2x2 twill weave with a High Gloss finish, provides a premium exterior styling upgrade.

Mirror Covers - Carbon Fibre

High grade Carbon Fibre mirror covers featuring a 2x2 twill weave and a High Gloss lacquered finish. Provides a performance-inspired styling enhancement.

WHEELS AND WHEEL ACCESSORIES

18" 5 Split-Spoke 'Style 5055', Alloy Wheel

Personalise your vehicle with a selection of alloy wheels featuring a wide range of contemporary and dynamic designs.

'Growler' Wheel Nuts - Black

Enhance the look of your vehicle's wheels with Jaguar branded wheel nuts.

Styled Valve Caps

Add the finishing touch to your vehicle's wheels with a range of unique custom valve caps.

Wheel Centre Badge - Carbon Fibre

A distinctive Carbon Fibre wheel centre badge featuring Jaguar 'Growler' branding and offered for all available wheels.

Snow Traction System

Improved mobility in snow, mud and icy driving conditions with this high-grip snow chain traction system. Recommended for fitment to front wheels only.

Snow Sock Winter Traction Aid

An innovative lightweight textile snow and ice traction aid for use on roads in winter conditions. Easy and quick to attach, packs down for easy stowage. Recommended for fitment to front wheels only.

FUNCTION AND TECHNOLOGY

Luggage Compartment Organisation

Convenient, luggage compartment organiser provides stowage segregated compartments for wet, dirty or delicate items or to separate luggage. The organiser has lockable lids for the front and rear compartments. The front and rear compartments also have flexible dividers to create smaller compartments within them. The organiser is removable and secured to the vehicle using clip down straps.

Luggage Compartment Retention Kit

The luggage retention kit consists of a pack of attachments that fix into the luggage compartment rails via a quick lock/quick release system. This facilitates the use of a variety of other accessories and helps increase the flexibility of the luggage compartment stowage. The attachment pack includes a retractable strap with inertia reel and telescopic rod.

Luggage Compartment Rails

Luggage compartment rails with sliding 'D' loops and locking system, required for the fitment of the luggage compartment retention kit.

iPhone® Connect and Charge Dock

The iPhone connect and charge dock has been designed to charge utilising the cup holder space in the central console. When connected, the iPhone's media is accessible and has the ability to be controlled via the integrated infotainment/audio system. The 'cut-out' design of the holder is such that the home button is also accessible for use when parked. The iPhone USB charger can be easily disconnected if the USB connection is required for other use.

CLICK AND GO

Click and Go - Base

The Click and Go range is a multi-purpose seat-back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets.

Click and Hang

This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Click and Hook

This universal hook creates extra storage space for items to be hung, especially useful for handbags or groceries.

Click and Play*

This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.

*Available for iPad Air, iPad Mini 1-3, iPad 2-4 and Samsung 10.1"

CARRYING AND TOWING

Fork Mounted Cycle Carrier

Fitted to the roof, the fork mounted cycle carrier provides a simple and secure fitting, with the bike front wheel removed, ideally suited to lightweight bikes and 'racing' wheels. The bike's fork is mounted with an easily adjustable, snap-on fastener and the rear wheel is mounted with a quick-release strap that is adjustable for different wheel sizes. A separate carrier is included for the front wheel. This cycle carrier is easy to fit, lockable and carries one bike per holder. A maximum of three carriers can be fitted. Maximum cycle weight 17kg per carrier.

*Available late 2018

Towing System - Detachable Tow Bar*

Bespoke towing system featuring a detachable tow ball offering towing capability of up to 750kg and 50kg nose load. The detachable tow ball has been designed to fit into a dedicated stowage area under the luggage compartment floor when not in use. Towing electrics included.

CARRYING

Wheel Mounted Cycle Carrier

An easy to fit, roof mounted cycle carrier fits bike frames up to 100mm. Can be fitted on either side of the vehicle's roof. 20x20mm T-track adapters are included for mounting the carrier directly into the T-tracks of the roof bars. Quick-release wheel straps allow convenient loading/unloading. Locks included for both bike to cycle carrier and cycle carrier to load carrier. Carries one bike per holder and maximum of three carriers can be fitted. Maximum cycle weight 20kg per carrier.

Rear Mounted Cycle Carrier

Premium rear mounted cycle carrier provides a convenient bike carrying solution with quick-release loading attachments and secure locking mechanism. Attaches to the vehicle using the two tow eye mountings. Electrical connector fitted below rear of vehicle to power lights - side lights, stop lights and indicators included. Clever design allows carrier to be tilted away from the vehicle when fitted allowing access into the rear tailgate. Maximum load capacity 30kg (maximum 2x15kg bikes).

CARRYING

Roof Cross Bars

These elegant, durable Bright finish cross bars, mounted to the bodyside of the vehicle, enable the use of a wide range of roof carrying accessories. The design helps to maximise the space available allowing multiple accessories to be added. The cross bars are easy to attach or remove, with the use of a supplied tool, and are also lockable for security. The aerodynamic profile minimises drag and wind noise. Maximum load capacity of accessory is 75kg.

Ski/Snowboard Holder

This aluminium, aerodynamic carrier provides a secure transporting system for winter sports equipment. The raised design keeps high bindings from damaging the vehicle's roof, whilst the carrier can be simply extended to slide out, alleviating the need to stretch over the roof of the vehicle when loading and unloading. Compatible with the One-Key system, this lockable carrier provides 60cm loading space that holds up to six pairs of skis or four snowboards.

Water Sports Carrier

A versatile system for transporting a variety of water sports equipment including surfboard, kayak or sailboard. Maximum load capacity of accessory is 25kg.

INTERIOR PROTECTION

Luggage Compartment Partition

The luggage compartment partition is designed to prevent cargo from entering the passenger compartment.

Luggage Compartment Partition Net

Convenient partition net fitting to luggage compartment D-loops and fixings in roof lining.

Rubber Mats

Hard wearing Jaguar branded rubber mats provide added protection for your vehicle's carpets.

Luggage Compartment Rubber Mat

This premium mat is tailored specifically to protect the luggage compartment. Light and durable, it is easily removable for cleaning.

Protective Second Row Seat Cover

Protects back of front seats, floor and second row seats from mud, dirt and wear and tear. Machine washable.

Luggage Compartment Collapsible Organiser

Collapsible luggage compartment organiser keeps items from shifting during transport with two durable straps.

**Pet Pack**

Combines the luggage compartment rubber mat with the full height partition, to protect both your vehicle and your pet. The rubber mat is waterproof, protecting the vehicle's luggage compartment floor carpet. The full height partition prevents access to the passenger compartment, while safely containing and protecting your pet.

INTERIOR STYLING

Luxury Carpet Mats

Luxurious, tailored 2,050gm² pile front and second row carpet mat set, available in Jet, with Jaguar ingot branding, nubuck edge binding and waterproof backing, they provide a well appointed finishing touch to the interior.

Luggage Compartment Luxury Carpet Mat

Luxurious, soft luggage mat, available in Jet with the Jaguar logo. Deep premium 2,050gm² pile with nubuck edging.

Sill Treadplates - Illuminated*

Elegantly styled stainless steel sill treadplates for driver or passenger doors. Illuminate when either the driver or passenger doors are opened. Highlighted by soft phosphor blue lighting.

Sill Treadplates - Personalised, Illuminated*

Elegantly styled stainless steel sill treadplates for front driver and passenger doors. Allows customer to specify a monochrome personalised message in a choice of approved fonts, which will be highlighted by soft phosphor blue illumination when either the driver or passenger doors are opened.

*Available late 2018

SAFETY

Child Seat – Group 0+, Cloth

Group 0+ (Birth - 13kg) - For babies from birth - 13kg (approximately birth - 12 - 15 months). Jaguar branded. Rearward facing on rear seat. Includes wind/sun canopy and padded and machine washable cover. Easy, height adjustable headrest and five-point harness with one-pull adjustment. Can be installed with the vehicle's three-point seat belt or the child seat ISOFIX base. Approved to European test standard ECE R44-04.

Child Seat – Group 1, Cloth

Group 1 (9kg - 18kg) - For children 9kg - 18kg (approximately 9 months - 4 years). Jaguar branded. Forward facing on rear seat. Padded machine washable cover. One pull, height adjustable headrest and five-point harness. Improved side impact protection. Multi-position recline system. ISOFIX fitment only. Indicators confirm the ISOFIX has been correctly installed. Front ISOFIX release for ease of use. Approved to European test standard ECE R44-04.

Child Seat – Group 2/3, Cloth

Group 2/3 (15kg - 36kg) - For children 15kg - 36kg (approximately 4 - 12 years). Jaguar branded. Forward facing on rear seat. Padded machine washable cover. Height adjustable headrest and upper seat belt guides ensure correct seat belt position. Improved side protection from deep, padded side wings. Can be installed with the vehicle's three-point seat belt or ISOFIX system. Approved to European test standard ECE R44-04.

THE PRICE LIST

For additional peace of mind, all Jaguar accessories come with a minimum 12 month warranty or can be covered under your vehicle's existing warranty if they are purchased within the first month of ownership or 1,000 miles (whichever comes first).

Pet Pack	Combines the luggage compartment rubber mat with the full height partition, to protect both your vehicle and your pet. The rubber mat is waterproof, protecting the vehicle's luggage compartment floor carpet. The full height partition prevents access to the passenger compartment, while safely containing and protecting your pet.	Luggage partition ECE 17 approved. Compatible with luggage compartment rails, luggage compartment retention kit and parcel shelf roller blind. Not compatible with luggage compartment partition net or space saver spare wheel.	T4K1160 & T4K1601
